I Have Faith

Verse for “I Have Faith Month”

Stand firm in the faith. Be
men of courage, be strong,
do everything in love.

1 Corinthians 16:13

Parent/child weekly study

Faith is believing in God even when it is hard. When is it hard to have faith?

If other people tease us about our belief in God, what should we do?

Who do we know that does not believe in God? What can we do for them?

Let's pray for those people now.

I have faith in God above,

I have faith in his holy love.

I have faith in what I cannot see,

I have faith because I know

God loves me.

I have faith that he will guide my way,

I have faith that he listens every day.

I have faith that I'll be with him someday,

I have faith that Jesus is the way.

I have faith that God sent his son,

I have faith that he made everyone.

I have faith that what God says is true,

I have faith that he knows me and you.
