

## Verse for Prayer

Therefore, let everyone who is Godly,  
pray.

Psalm 32:6

## Parent/child weekly study

When do we pray in our family?

What do we pray about?

Do you have anything you want to pray  
about now?

When you are scared, how can you  
pray?

When you are happy, how do you pray?

# Whisper a Prayer

God, I will pray to you all the  
time, when I'm happy and sad,  
scared or mad!

I will pray because I know you  
love all of my prayers, because  
you love me!

Mom, last night when I prayed I  
whispered a secret.

How wonderful! God loves it when  
you whisper.

Friend, right now when I pray,  
I will pray for you.

Thank you!

God loves to hear your prayers for  
others.

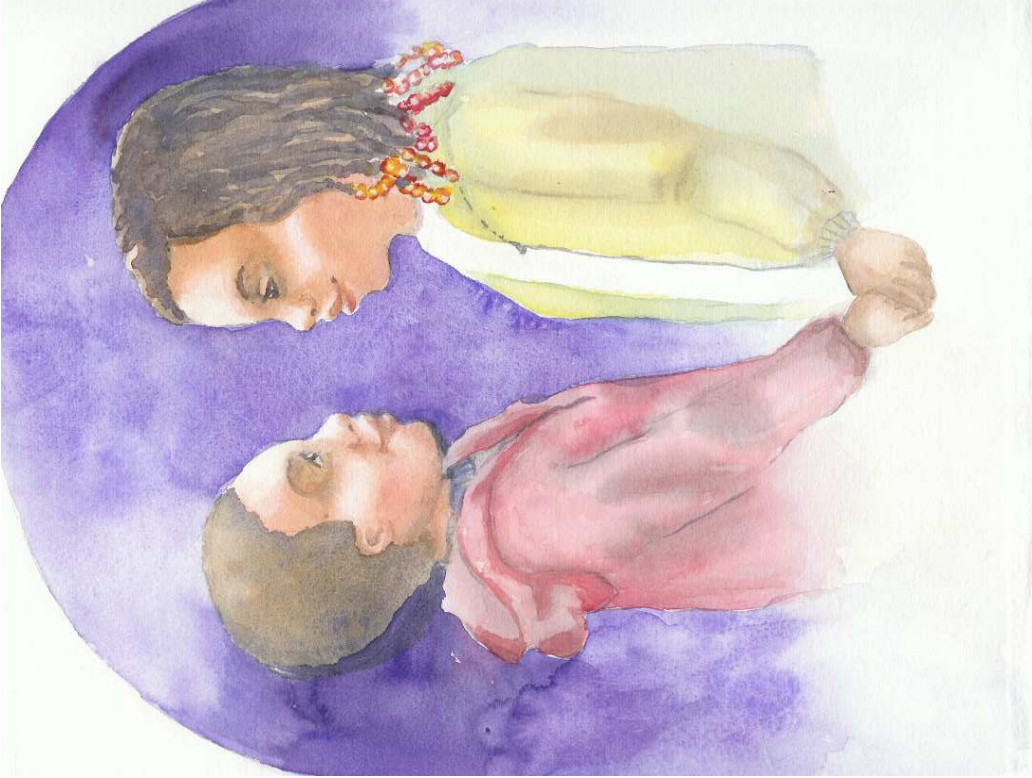

Dad, this morning when I prayed I sang a  
song.

How fabulous! God loves to hear you  
sing.

Sister, tomorrow when I pray I will ask  
God for help.

How smart! God loves to help you when  
you pray.

Grandpa, this afternoon when I prayed  
I praised God for the world around me.

How grand! God loves to hear you  
praise his creation.

Auntie, tonight when I prayed I spoke  
bravely of my fears.

How marvelous!

God loves to help you when you fear.
